Team Worldwide Expands in Upper Midwest Opening Newest Branch in Minneapolis

March 3, 2020

Team Worldwide is pleased to announce our newest Branch Office in Minneapolis, Minnesota. The grand opening is scheduled for Tuesday, March 3, 2020. This new location is a great addition to the extensive network of over 45 Branches across North America.

Team was interested in offering service to/from Minneapolis due to the strong economy, diverse customer base, and large geographic territory in the neighboring states.

Working with the established business at USA2Everywhere, owned by Randy and Mary Robida, Team Worldwide will be able to quickly start serving customers. Randy and Mary, along with Isaiah Dixon on their team, are well known in the Minneapolis community for focusing their efforts with the customer and excellent service top of mind. Randy Robida, Branch Owner, shared "We are fanatics about the customer experience and partnering up with the Team Branches across the U.S., we are able to streamline distribution from one single point to serve the Minneapolis market and surrounding areas."

Jason Brunson, President and CEO at Team Worldwide, welcomes our newest office to the family. "Minneapolis shows tremendous opportunity for Team Worldwide to offer a variety of service solutions to customers across different industry segments. Robida's international ecommerce business experience and current model match up with our strategic initiatives."

Randy is involved in the community, coaching baseball and basketball. Randy and his wife, Mary, have three children that will play a role in the Team Branch Operation. Elyse and Emily will be focused on customer service, sales, experience, and social media. Elliot, the son, is a certified helicopter instructor who has played a major role in the company's expansion over the last few years.
